Manager's Corner for Wymberly

Many of the Wymberly residents may have already heard that I am handing over the Crossroads (now named Saddlewood) community management responsibilities to another Jensen's manager. The new manager will begin on June 4th. There will be a transitional period of a few weeks to get her up to speed. I will, however, still be handling the construction of the new homes in the Aiken community for the remainder of this year, in which I am anticipating should take one half to a day a week. I am looking forward to being at Wymberly on a regular basis.

We are now back to full staff for the Wymberly maintenance department. Their names are: Foreman, David Ashley; utility workers Orson Hines and Derek Godbee. We believe we now have the right people in place to carry out the Wymberly daily maintenance duties. Thank you for your patience during this transitional period.

We are all looking forward to seeing everyone soon at the annual Wymberly Resident Appreciation day.

President's Corner for Social Club

Hello Everyone,

Well, Spring finally got here and with a heat wave too. Everything is so beautiful. The flowers are blooming and gardens are growing. We must remember our residents who are sick, or have had surgery, in our prayers. Please check on your neighbors during the heat to make sure that they are ok.

Our Traditional May Pot Luck had a good turn out. We celebrated the mom's and dad's with flowers and candy and cards. We also had great entertainment by the "Then and Now Band". Thank you, everyone who brought dishes for our traditional May pot luck, the food was great.

Instead of pot luck in June, the Wymberly Staff is having their annual Resident Appreciation Day on June 15th. You don't want to miss this event, as it is always a great time to see old and new friends. The Good Times Gang has combined their Mardi Gras theme with the appreciation lunch. There will be a contest to vote for your favorite king and queen and also music and prizes and lots of fun for all at the club house. Watch for the sign up sheet.

Remember, our rummage sale is on June 1st from 8am to 4pm, and on June 2nd 8am to 2pm. Residents ONLY early buying day is May 31st from 2pm to 5pm. We will also have a food court at our rummage sale. I want to take a moment to thank ALL our volunteers and my board of officers who helped with our rummage sale. You did an outstanding job. Thank You, Thank You. There will be more on the rummage sale once all the figures are in.

Don't forget our 4th of July Golf Cart Parade, BBQ, and ice Cream Social will be coming up next month. There will be a sign up sheet posted so we can prepare for how many are coming.

Thank you ALL for supporting your President and the Board of Officers
Hope everyone has a great summer.

"I am the Lord, your God, who takes hold of your right hand and says to you, "do not fear, for I will help you." Isaiah 41:13

Wymberly Bridge

Thursdays 6:00 – 9:30

Since our last report the club high scorers have been: Mary Colligan, Svein Holm (2X), Harry Parker Perry O'Rourke (2X), Shirley Regel, Karen Currier, Wanda Kemp, Berit England and Tom Regel. Our traveling Viking Svein Holm is again off to Norway and will be absent from play for 6 or 7 weeks.

The membership's attention is again called to the internet free game entitled "BridgeBased.com" that provides playing experience at several levels of expertise. Contact Wanda Kemp for information.

As you know, our play has been energized by members and guests playing "conventions". These are artificial bids that greatly enhance play versus playing only plain vanilla/Goren bridge. Playing bridge is fun and learning more about the game should be fun as well. In short, become a student of this marvelous game. To enhance our adoption of some of these "conventions" and after discussions with the membership and understanding the flexible nuances of our club's focus on Party bridge vice duplicate; I suggest that we adopt the following seven conventions. This listing will constitute a workable contract between rotating partners much like a formalized contract does between permanent partners in duplicate play. These conventions are listed below. To further facilitate their use during club play, I will author handouts that explain these 7 basic conventions. These chosen 7 conventions are: #1. Stayman #2. Jacoby Transfers #3. Blackwood and Gerber which are kissing bridge cousins #4 two club bids #5. Takeout doubles #6. Preemptive Bids and #7. Inconvenient Minors...this one with input from Harry Parker....thanks Harry!

Golf News - Update

9 Hole Golf Mondays at 9 am

Our March Lauderdale was held on the 10th. First place went to the team of Gerry Petrin and Paul Wilkinson with 40 points. Second place was a tie between the teams of Dale Reedstrom and George Boucher, and Bill and Theresa Robinson, each with 38 points. Bill also recorded a hole in one on hole #3. Great job, Bill.

Closest to the pin on both holes #1 & #2 was Gerry Petrin.

The April best ball tournament had its highest participation to date with 11 players. First place went to the team of Ron Noland, Dale Reedstrom and Gerry Petrin with a total of 42 points. Second place was the team of Wayne Mele, Theresa Robinson and Dave Edwards with a total of 40 points.

Closest to pin winners were Dave Edwards (hole 4) and Wayne Mele (hole 6).

Finally, the nice weather has arrived. The Tuesday and Saturday tournaments will now begin at 9:00 AM.

Our May Lauderdale winning team went to Theresa Robinson, George Boucher and Dale Reedstrom with 44 points. Closest to the pin winners were Paul Wilkinson, hole #3 and Ron Noland, hole #8. The next Lauderdale is scheduled for June 9.

Gerry Petrin

We're back to playing golf. We haven't had our Lauderdale (or best ball) in a long time. We had seven players with one team of 3 and two teams of 2. The teams of 2 played a 3rd ball to make things even. The team with 3 players, which were all women, came in second place. Way to go ladies. That sounds good but the teams that had two players each were men and they tied for first place with a score of 21.

The two winning teams consisted of Charlie Smith and Dale Reedstrom and Merle Jenkins and Wayne Melee. There were 5 birdies between all players. We look forward to seeing more players next month.

Wife: Honey, please go to the supermarket and get a carton of milk. If they have bananas, bring 6. 

He came back with 6 cartons of milk.

Wife: Why in the world did you buy 6 cartons of milk?!?!?

Husband (confused): BECAUSE THEY HAD BANANAS.

He still doesn't understand why his wife yelled at him since he did exactly as she told him.

Sales Corner

If you know of someone who is undecided on whether to rent or purchase, please share these thoughts with them: If you compare our costs for a home/homesite and all the amenities that come with living in a Jensen community you'll find that we're at or below rental rates. Add the fact that you'll be living in a community with like-minded individuals who are looking to enjoy their retirement years in a controlled environment – priceless! This is another opportunity for you to bring in a referral and hopefully take advantage of one month's free lot rent!

The Scale Tale

The fishing tournament produced good catches and oodles of fun for all.

Firstly, Emma Williamson (Sandy Waters granddaughter) swept the kids division with a whoping 2 lb. bass and won the \$10.00 prize! She will carry this memory forever!

The adult anglers finished as follows:

- 1st Place - Jeff Forbes (3 lb. 2 oz.)
- 2nd Place – Darlene Hanby (1 lb. 1 oz.)
- 3rd Place – Jim Dampier (1 lb)

Y'all come out and enjoy the lakes and our other outdoor amenities!

Jim Dampier
