#### **NEW HOME COMING SOON!**

You may have noticed the work on the removal of the house located at 4633 Lake Front Drive. Please use caution when driving or walking around this area. Remember, only Wymerly employees and contractors are allowed on the home site until the construction is complete. More information on the new house will be coming soon. Contact Valerie Greene in the Wymerly office with the required information needed for your friends or family members that may be interested in moving to Wymerly and into a brand-new home.

I am continuing to receive complaints of vehicles speeding and not stopping at the stop signs within the community. For the safety of all Wymerly residents, staff, and guests, everyone must follow the posted signs. Please speak to your guests as well.

## President's Corner for Social Club

As I am writing this month's column before we have had the September pot luck, I am confident everyone had a good time. Our traditional pot lucks are always well supplied and well attended. The entertainment of "Now and Then" is always a big hit and I expect it was again.

Make plans for the October pot luck on October 19th. We have planned a catered entrée from Howard Dye Catering of pork loin. The entertainment will be local friends of ours, Dolly and David Morris, and their music. I suggest you don't miss it!

Speaking of catering – plan ahead for the December pot luck when we have our annual catered "sit down" dinner done by Howard Dye Catering. As of now, our plans are to have a choice of an entrée of either 1) shrimp, 2) prime rib OR 3) a combination of both shrimp and prime rib. There will be a charge for this dinner as the Social Club will under-write a portion of the cost while each diner will pay a portion. These amounts will be determined by next month. Do plan ahead as there will be maximum seating for this event of 120 on a "first come, first served" basis. Also, this will be for **Social Club members only – no guests**.

The Fall Shuffleboard league has been going on for a couple weeks and will continue Wednesdays until October 23<sup>rd</sup>. There is still time to come and join the fun – just call Frances Bates.

**\*Golf Cart Derby** – October 12 – Pizza party to follow. Dan and Mary have written an article elsewhere in this newsletter with details for this day. Still time to register for the race and sign up to help with traffic control and other duties. Also, sign up so we know how much pizza and beverages to purchase – sign-up sheets are still on the club house bulletin board.

Come participate in the Pumpkin Carving contest. Report to Sylvia Hober at the club house on Wednesday, October 16, 12:30 to 4 and carve your heart out (whoops – bad choice of words). Results will be on display at that next Saturday pot luck where everyone will vote to pick a winner. There is a sign-up sheet on the bulletin board at the club house. See a detailed article elsewhere in this newsletter.

Don't forget - The Friday Out To Lunch Bunch (every 4<sup>th</sup> Friday) – October 25 at Logan's Roadhouse

**"Fractured Words of Wisdom"** – A true friend is someone who thinks you're a good egg – even if you are half cracked!

Social Club President

## Wymerly Bridge

Thursdays 6:00 – 9:30

Since our last report the club high scorers have been: Terry Smith, Sally Case, & Perry O'Rourke - who most notably made a lovely bid and made grand slam with partner Dot Gearhardt. Perry's total for the night was 5210 points, not far from the club historically high score of 6000 by Harry Parker last season. Well played by both!

The membership's attention is also called to the **club's Tuesday afternoon play** at the clubhouse library. Time 1:30 PM. Presently, we are hosting only one table in the clubhouse library. Call Tom if you are interested. He is keeping a reservation book and reminding potential participants at Thursday evening routine play interest/demand. Finally, the undersigned has revitalized the "**intermediate level**". Thanks to Harry Parker, Vicky Parker, Berit England and Ken Le Blanc for supporting the rebirth of these most pleasant game enhancement sessions. Members interested in attending and growing their games call Tom for openings. Two tables are possible for Sundays!

**Item Last:** Each club member is encouraged to be a **recruiter**. New blood is essential to the health of every bridge club. The club goal should be routine 4 table weekly play. With this in mind I have produced 4-Table Scoring Masters and inserted these in the Bridge Bag. **Weekly hosts** - when contacting players try to expand play from 3 tables to 4 tables using all available personnel assets.

## Keep Those Bones Strong

A daily dose of minerals and vitamins like calcium, vitamin D, and vitamin K promote stronger bones in seniors.

Dairy products like cheese and milk are good sources of calcium and vitamin D. Supplements can also be a good choice.

Nutrition needs will vary between men and women. If you have questions about your diet or nutrition needs, talk to your doctor.

And don't forget to **EXERCISE!** Specifically, weight-bearing exercises can help reduce bone loss, improve muscle tone and stamina, as well as allow seniors to react more quickly in the event of a fall.

These weight-bearing exercises include: Dancing, Hiking, Jogging, Walking, and Weightlifting.

## Pumpkin Carving

Wednesday, October 16<sup>th</sup>  
12:30pm-4:00pm

TO ALL RESIDENTS...  
GET IN TOUCH WITH YOUR CREATIVE SIDE!!!

The sign-up sheet for the pumpkin carving will be on the club house bulletin board.

We will be voting on the pumpkins at the October 19<sup>th</sup> pot luck. One winner will be announced that evening.

Come join us, bring a pumpkin to the Clubhouse and have some fun.

## Golf Cart Derby & Pizza Party 2 pm Saturday October 12th

shutterstock - 176088258

The Wymberly Social Club is putting a plan together for a fun day for Wymberly Residents to enjoy and welcome in the cooler weather of fall. The plan under way is to create a Golf Cart Derby and remember the good old days when there were such things as Soap Box Derby's. Well, they still exist today for the younger set; not to be out done, we here at Wymberly feel it is high time we had a Derby of our very own.

**Using our Golf Carts; the race would be simply to coast downhill using only gravity to gain speed toward a finish line. It will prove to be a fun day for both the racers and spectators alike.**

No special equipment will be required for participation; just a golf cart, (borrow one if you must) plus lots of cheering for your favorite to win. The race is scheduled to be held on Lake Front Drive. A note alerting the residents is being prepared; we do not expect service traffic to be an issue as it is the weekend.

The race and Pizza Party is open to all Wymberly Residents: Important, please indicate your interest to participate by entering your name and phone number on the Sign-up Sheet posted in the Club House.

The Pizza Party will be held after the race at approximately 4:00PM, the sign up sheet is necessary for the purpose of ordering the supplies and pizza.

**It's supposed to be FALL y'all...  
 But here in Georgia it's still  
 "Hotter Than A Pepper Sprout"!**

**Living in the South we've learned a few things...**

- Hot water comes out of both taps.
- You find out that a seatbelt buckle makes a pretty nice branding iron.
- The trees are whistling for the dogs.
- You find out that you can get sunburned through your car window.
- The birds need to use potholders to pull worms out of the ground.
- You burn your hand opening the car door.
- The temperature drops below 95 and you put on a sweater.
- You can make instant sun tea.
- Shade determines the best parking space, not distance.
- Farmers feed their chickens crushed ice to keep them from laying hard boiled eggs.
- When you step outside at 7:30 a.m., you break into a sweat.
- Potatoes cook underground. This is convenient because all you have to do is pull one out and add salt, pepper and butter.
- You discover that asphalt has a liquid state.
- You realize that it only takes two fingers to steer your car.

Getting older is a lot like living in a haunted house. Lots of noises, smells, bumps and lumps that you just can't explain.

## Sales Corner

Home values have increased over the past few years as supply is hardly keeping up with demand. This is particularly true with affordable housing, as evidenced by the lack of homes available here at Wymberly.

You can help make a difference in the value of your home by performing routine maintenance, and by addressing a small issue before it turns into a major problem.

Curb appeal is very important as first impressions speak volumes, so make your home inviting by keeping your landscaping neat and in order.

Remember, a well-maintained home is far more appealing to prospective buyers!

## Golf News

Our September Lauderdale results were as follows: Winning team was that of Bill Robinson and Mike Faucett with 39 total points. Closest to the pin was Wayne Mele on hole #1.

As we close out our season, I would like to thank all of those who participated, not only played, but also lent a hand in making our weekly matches something we all looked forward to. This will be my final report as Wymberly's Commissioner of Golf. A successor will be named at a later date.

In lieu of the annual 2-day tournament, an October Lauderdale will take place. The reason for this, is due to the low number of members. This game will take place on the 12<sup>th</sup> of the month, weather permitting. The new season will begin on the following Tuesday.

Once again, we welcome anyone who would like to participate in our Tuesday and Saturday matches. No experience is necessary. It's great exercise, and above all, lots of fun. Please feel free to join us.
